¹ If the value of an addition or alteration to a structure equals or exceeds 50% of the value of the structure before the addition or alteration, the entire structure must be treated as a substantially improved structure. A relocated structure must be treated as new construction.							
² Attach forms if there are additional property owners. This permit application will not be accepted without the signature of all property owners on the current deed of record.							

PLEASE PROVIDE THE FOLLOWING DOCUMENTS TO IDENTIFY THE PROPERTY AND STRUCTURES:

Recorded Document showing right to apply; sketch or drawing of property lines that is to scale showing where development will be within the property lines. If proposed development is in a designated Special Flood Hazard area, additional information will be requested.

READ THE FOLLOWING ACKNOWLEDGMENT AND CERTIFICATION BEFORE SIGNING THIS APPLICATION

By signing this application, I acknowledge the following: The flood insurance rate maps and other data used by San Saba County in evaluating flood hazards for the proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best scientific and engineering data available. Greater floods can and do occur, and flood heights may be increased by man-made or natural causes.

I am the property owner or I possess the appropriate land rights necessary to make the proposed improvements on said property.
